

LIFE MEMBERS

At the 125th Annual General Meeting, the following were awarded Life Membership:

JAN PUCOVSKI

Jan Pucovski joined Caulfield for the 1992/93 season, following on from his District career with Ringwood and Prahran where he played a combined 52 1st XI games. At Caulfield Jan immediately impacted positively on the performances of the 1st XI as an aggressive opening bowler. Jan was a competitor with either bat or ball, is a triple 1st XI premiership player and winner of the 1st XI bowling on two occasions and a dual winner of the M K Walker bowling award. After retiring as a 1st XI player, Jan continued to support the lower elevens and played spasmodically with them over the next 10 seasons, adding experience and competitiveness in successful 4th XI teams. Jan also influenced under age players to join Caulfield and was an excellent clubman at all times.

Jan will go down as one of the greats at Caulfield and still calls in to support when not otherwise supporting his son Will with his promising cricketing career with leading premier club Melbourne CC.

ANTHONY REEVE

Anthony Reeve first played with Caulfield in 1995/96 and apart from three seasons when he was overseas, has continued to participate in the lower elevens and is a four time premiership player with the 4th XI. He has won three bowling averages, the batting once and has been a team champion on two occasions. His contribution to our Junior Club has been significant and his all-round contribution to the club over 16 seasons has been commendable.

Anthony is a perfect example of those who contribute so much to the benefit of the lower elevens and therefore to the welfare of the Club. Anthony is also a strong supporter of younger players.

We congratulate Jan and Anthony on their deserved life memberships and thank them for their continued contribution.
